Hi Ragesh,

Thank you for responding to my request so quickly. I look forward working with you and determine a path forward for these sites.

August 16 from 11 am -1 pm is open for EPA & we can come to your office if you'd like. I know my senior management, Linda Dietz & Steve Hirsh, would like to attend the meeting as well. Let me know what location you would prefer to meet on August 16th.

Thanks again for working with us on this.

Yazmine,

Thank you for reaching out to us. Those sites were discussed during EPA/DEP site assessment discussion and they are on the list for a long time. Chris Vallone suggested and we agreed to discuss more details regarding those sites listed in your email. Those listed sites has been in media and some controversy regarding clean up and time it is taking for cleanup or reuse. How is August 15th or 16th look for EPA?

Thank you for reaching out to us.

Subject: PADEP/EPA Meeting

Importance: High

Hi Ragesh,

I know we have not been formally introduced, my name's Yazmine Yap-Deffler and I'm the Branch Chief of the Site Assessment Program here at EPA Region 3. I'm following up re-scheduling a meeting with you that was originally scheduled for July 16th. It is my understanding that PADEP would like to have a dialogue regarding the following sites: Bishop Tube, **Ex. 5 Deliberative Process (DP)**. I appreciate your effort in reaching out to us and excited to collaborate with you regarding these sites.

Please do not hesitate to contact me and let me know what dates would work for you. Looking forward to hearing from you soon.

Thanks,
Yaz
